8 November 2024

## Labels on Clothing

With more and more warm hats, scarves and gloves coming in to school, please make sure all items of clothing are clearly labelled so that if they do go missing, they can be quickly returned to their owners.

## Remembrance Week

In the run up to Remembrance Day next week, this week, pupils throughout the school have been learning about the meaning behind the poppy and the significance of the day. Today, Year 6 visited the local War Memorial as part of their learning. On Monday, Mr Croghan will lead a special Remembrance assembly in which each class will share their learning with the rest of the school and pupils will take time out of their busy days to remember those who have died in the line of duty.

## Administering Medicine at School

If you have given permission for your child to have paracetamol or antihistamine in school we are assuming that this will continue unless you contact the school office to let us know otherwise.

Word of the Week: criticise

## Attendance

As the weather grows colder and pupils pick up more illnesses, make sure to use the NHS's guide '[Is my child too ill for school?](#)' to decide whether or not it is appropriate for your child to come to school.

## Basketball Champions

Our all-conquering Year 3 and 4 Basketball team have done it again, this time winning the Southern Area competition, having qualified by winning the LASP competition before half-term. It was another example of fantastic teamwork with St Catherine's not even conceding a basket in any of their games. Special mention to Keanu who once again was the player of the tournament. They will now go on to compete for the title of West Sussex champions in the coming weeks.

What an achievement!

## Mark 12:28-34

'Love the lord your God with all your heart.'
