

Foundation Stage News

St Francis Class

Week Beginning: 29/4/24

We are continuing with our work on the topic of 'All the fun of the Fair!' The children have very much enjoyed organising and playing on the Funfair stalls. We have developed our food stall by including beautifully written, colourful menus made by the children.

This week we are focussing on Magic Shows. We are learning how to perform our own magic shows and we are experimenting making magical potions! The book that will help us with our learning this week is 'Bad Bunnies Magic Show'.

This half term we are reviewing all of the letter sounds that we have learnt so far.

We are developing our ability to read **ccvcc** words (consonant-consonant-vowel-consonant-consonant) i.e. **trunk**, **frost** and **ccvc** words i.e. **split**, **scrap** (consonant-consonant-consonant-vowel-consonant).

We are working on writing the letters correctly and using them in our reading and writing with growing independence.

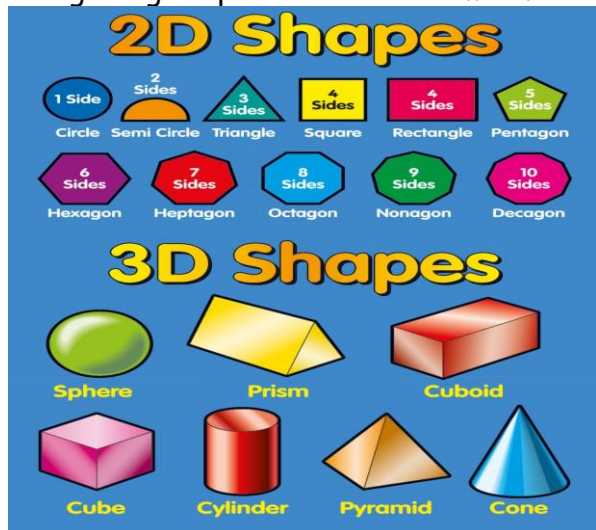

Please use this link to watch a video clip which may help you with how to 'say the sounds' if you are unsure:

Maths:

In Maths we are looking at 2D and 3D shapes, we are learning how to describe the shapes and we are recognising shapes in our environment.

Warmer weather:

We are very much enjoying the sunshine when it appears and we like to spend a lot of time enjoying our learning in the Outside Area.

Therefore, on hotter days please ensure that suncream is applied before school and they have a sunhat to wear.

Thank you.

Here is a reminder of how we write our letters in school. Some letters stay on the grass, some go up into the sky and some go down into the mud.

CHALLENGE - Can they have a go at writing our phonics sounds?
